Dear Sir:

This letter concerns the above-referenced mutually exclusive applications for new secondary television facilities. On August 31, 1999, in response to a written request by the applicant, we dismissed Paxson Buffalo License, Inc.'s above-referenced applications for Channel 35 at Rochester, New York, and Channel 36 at Buffalo, New York. Therefore, your application (File No. BPTTL-980601QQ) for Channel 36 at Rochester, New York, is no longer mutually exclusive with any other application. This letter is to inform you that we have removed your application (MX Group SST4) from the March 21, 2000, Supplemental Closed Broadcast Auction. *See Public Notice*, "Supplemental Closed Broadcast Auction," DA 99-2958, released December 23, 1999.

Sincerely,

Barbara Kreisman
