Dear Counsel:

This letter concerns the above-referenced applications for a new low power television facility filed in the limited auction filing window that closed August 31, 2000.

You have submitted a settlement agreement to resolve the mutual exclusivity among these applications (MX Group M481). Pursuant to the settlement agreement, the applicants have agreed to accept interference from each other's proposed facilities. Upon review of your settlement agreement and related documents, we find that it complies with Section 311(c) of the Communications Act and Section 73.3525 of the Commission's Rules.

As for application File Nos. BNPTTL-20000810AAW and BNPTTL-20000831BER, within 30 days of the date of this letter, the applicants must submit a complete FCC Form 346 (June 2000 version) for each file number, pursuant to the procedures set forth in the Commission's rules.¹ Along with an FCC Form 346, the applicant must also submit the required application filing fee of \$570.00 for an FCC Form 346 and an FCC Form 159, Remittance Advice.²
