delinquent on any non-tax debt owed to any federal agency. Applicants must include this statement as Exhibit F of the FCC Form 175. If any of an applicant’s controlling interest holders or affiliates, as defined by Section 1.2110 of the Commission’s rules, have ever been in default on any Commission license or have ever been delinquent on any non-tax debt owed to any Federal agency, the applicant must include such information as part of the same attached statement. Prospective bidders are reminded that the statement must be made under penalty of perjury and, further, submission of a false certification to the Commission is a serious matter that may result in severe penalties, including monetary forfeitures, license revocations, exclusion from participation in future auctions, and/or criminal prosecution.

“Former defaulters” — i.e., applicants, including their attributable interest holders, that in the past have defaulted on any Commission licenses or been delinquent on any non-tax debt owed to any Federal agency, but that have since remedied all such defaults and cured all of their outstanding non-tax delinquencies — will be eligible to bid in Auction No. 82, provided that they are otherwise qualified. However, former defaulters are required to pay upfront payments that are fifty percent more than the normal upfront payment amounts.
