Website address: http://www.southernlinc.com/accessibility/HAC_Hearing_aid.asp

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: SouthernLINC maintains handset marketing materials for use by its direct sales force, company owned stores and authorized dealers that clearly indicates which handsets are HAC compliant. SouthernLINC's web-site includes clearly labeled and easily linked to pages listing available handsets, their "M and/or T" ratings, a description of the ratings, a description of the handset functionality classifications and each handset's functionality classification.

Methodology for Functionality Levels

Handset functionality is determined by factors including, but not limited to, technical specifications, ergonomic features, retail price, Internet capability, the impact resistance and/or waterproof capabilities of its casing, power level, and targeted or likely end user groups.
