Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: We fall within the de minimis exception and currently offer no more than two handsets, none of which is hearing aid compatible.

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? No

Explain: None of the offered handsets have Wi-Fi.

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? No

Website address:

Explain: We do not maintain a publicly accessible website and fall within the de minimis exception.

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: N/A We fall within the de minimis exception.

Methodology for Functionality Levels

N/A None of the handsets offered is hearing aid compatible.

Report Remarks

The limited offering of two TDMA handsets reflects the fact that our system has not yet converted to a 2G or 3G system. Conversion, which has been postponed, is now expected to occur during 2010.
