Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: www.kiwipsc.com

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: All customer service representatives and sales staff were trained to make sure customers understood differences in handset hearing aid compatibility and the various options available.

Methodology for Functionality Levels

By offering low cost, pre-paid service with few additional features, the company served a particular low-end market niche. The customers who purchased this type of service demanded inexpensive, basic phones.

Report Remarks

ConScape Telecommunications of Raleigh-Durham, Inc. ceased providing service on March 24, 2010, and, as of the filing of this report, no longer holds any FCC wireless licenses.
