Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those

models, and an explanation of the rating system? No

Website address:

Explain: This company does not maintain a public website for its operations as a mobile service provider.

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Handsets are offered as part of bundled services to local residents.

Methodology for Functionality Levels

We offer one low-cost handset and one more functional handset to our customers. Based on knowledge of local trends, we determined that most of our customers would prefer a simple, reliable handset with functionality limited to voice and text over a more sophisticated model.
