Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those

models, and an explanation of the rating system? Yes

Website address: www.htcnet.net

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Hayneville Telephone Company maintains a public website displaying its selection of handsets and devices, including those that are HAC compliant. Sales staff are trained to assist customers in identifying HAC compliant handsets and devices. Handset packaging inserts also provide information. For more information, customers are directed to www.accesswireless.org/hearingaid/brochures.cfm.

Methodology for Functionality Levels

Hayneville Telephone offers HAC compliant handsets and devices in all major price categories, including low-cost (<\$100); moderate cost (\$100-\$250); high-end/feature-rich (>\$150). At least one HAC compliant handset/device with features and services typical of its price category can be found that meets each customer's price range.
