

Federal Communications Commission

Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2011 - December 31, 2011

Filing Confirmation Number: 0005032192

Filing Deadline: January 17, 2012

FRN: 0001572684

Filing Date: 01/17/2012 12:37 PM

General Report Information

Type of Company

Service Provider

De Minimis Exception

Did you offer more than two handsets over any air interface to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period? Yes

Did you offer any handsets to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period?

Company Information

Company Name: Inland Cellular Telephone Company
Brand Names: Inland Cellular
PO Box: 688
Street Address:
City: Roslyn
State: WA
Zip Code: 98941

Contact Name: Greg Maras
Contact Phone: (509) 649-2500
Contact Fax:
Contact Email: gmaras@inlandnet.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: William J. Sill
PO Box:
Street Address: 2300 N Street, N.W., Suite 700
City: Washington
State: DC
Zip Code: 20037

Contact Name: William J. Sill
Contact Phone: (202) 783-4141
Contact Fax:
Contact Email: wsill@wbklaw.com

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: <http://inlandcellular.com/main.php?Topic=613>

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: In 2011, Inland Cellular offered only HAC-compliant handsets. Inland Cellular continued to train their retail employees to identify and provide information regarding HAC compliant handsets and potentially useful accessories to Inland Cellular's current and prospective subscribers. Inland Cellular believes that one of the most effective ways to disseminate information to its consumers is at the point of sale. Inland Cellular will continue to educate its retail staff on HAC issues and the developing technology offered through the equipment manufacturers, so that their retail staff will remain a valuable information resource for Inland's current and prospective subscribers.

Inland Cellular will continue to build on their efforts to educate both their potential subscribers and their current subscribers on the HAC compliant handsets being offered:

- Inland Cellular continues to supply its retail staff with informational materials concerning the compliant handsets and accessories. Inland Cellular also continue to provide informational literature at its retail stores concerning compliant handsets and accessories as it becomes available and the number of HAC compliant phones increases.
- Inland Cellular remains committed to regularly update its web site as new HAC handset information becomes available, calling attention to the HAC compliant handsets, as well as accessories that may be helpful to persons with hearing disabilities; and
- Signs have been installed at each point of sale station along with updated information about HAC compliant handsets and other related accessories.

Methodology for Functionality Levels

Inland Cellular's hearing aid compatibility offerings encompass the entire range of handset functionalities. For illustrative purposes, Inland Cellular has designated its various categories as "High", "Mid" and "Basic." While some individual models may differ slightly, the descriptions below provide a general illustration of the types of features and characteristics typical of the models within each category.

- High: Smart phones, data capable, e-mail capable
- Mid: Media capable, text messaging, touch screen

- Basic: Basic voice and text messaging capabilities

Report Remarks

Inland Cellular Telephone Company is the General Partner of Eastern Sub-RSA Partnership and Washington RSA No. 8 Limited Partnership.

You have reported the following handset model summary information.

Total number of handsets offered: 39

Air Interface	Fully Hearing Aid Compatible		Acoustic Coupling Compatible Only		Non-Compliant Handsets		Total by Air Interface
	Number	Percent	Number	Percent	Number	Percent
