#### Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

#### Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

#### Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those

models, and an explanation of the rating system? Yes

Website address: www.gondtc.com

Explain:

### Consumer Outreach

Describe consumer outreach efforts in the past 12 months: HAC handset information is readily available to customers at North Dakota Telephone Company offices and through our public website.

### Methodology for Functionality Levels

We rated the phones by cost of phone and available features of the phone. Phones rated "A" have the most features related to cost. Phones rated "B" have moderate features related to cost. Phones rated "C" have less features related to cost.

### Report Remarks

We started selling to the public on November 1st, 2011.

You have reported the following handset model summary information.
