Compliant models are listed on the Iowa Wireless web site. Clay County Communications retail salespeople are trained to assist with compliant digital wireless phones. Compliant handsets are available for testing from live phone

displays in retail locations. Written materials, pamphlets and other promotional literature are provided at the point of sale and on the Iowa Wireless website, addressing the needs of individuals with hearing disabilities. Consumers are given a 30-day trial period within which to try out digital wireless phones to determine whether they will work properly with their hearing aids.

Methodology for Functionality Levels
