Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: Blooston Mordkofsky Dickens Duffy & Prendergast, LLP
PO Box:
Street Address: 2120 L Street, NW Suite 300
City: Washington
State: DC

Contact Name: D. Cary Mitchell
Contact Phone: (202) 828-5538
Contact Fax:
Contact Email: cary@bloostonlaw.com

Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: PVT Wireless Limited Partnership ("the Company") is a small rural CMRS service provider with operations that utilize a UTStarcom PAS wireless access platform. Because the Company offers only one type of digital wireless handset (the UTStarcom model UTS-708j), the Company qualifies for the de minimis exception to the Hearing Aid Compatibility ("HAC") rules, as described in Rule Section 20.19 (e)(1).

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007 include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operations?
N/A

Explain:

Do all hearing aid-compatible handsets that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?
N/A

Explain:

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?
N/A

Explain:

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? No

Website address:

Explain: Not applicable. The Company qualifies for the de minimis exception to the Hearing Aid Compatibility ("HAC") rules.

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Not applicable.

Methodology for Functionality Levels

Not applicable.

Report Remarks

As noted herein, the Company is offering low mobility service using the UTStarcom PAS Wireless Access network. The Company offers just one type of digital wireless handset (the UTStarcom model UTS-708j / FCC ID 06YUTS-708j). This device does not have HAC features, however this FCC ID is apparently not recognized by the FCC's HAC reporting system so information about this handset is being reported here.

You have reported the following handset model summary information.

Total number of handsets offered: 0

Air Interface	Fully Hearing Aid Compatible		Acoustic Coupling Compatible Only		Non-Compliant Handsets		Excluded Handsets Number	Total by Air Interface
	Number	Percent	Number	Percent	Number	Percent		

Certification

This Report has been certified by:
