Consumer Outreach

Describe consumer outreach efforts in the past 12 months: West River Cooperative Telephone (the "Company") has instructed its sales staff about the availability of hearing-aid compatible phone models and it has wireless industry pamphlets available in its company store to provide information on the FCC's requirements and HAC rating system. To the extent that additional information is developed by the industry or hearing impaired community on the compatibility of certain phone models with particular hearing aids, the Company will endeavor to make such information available to consumers.

Methodology for Functionality Levels

Basic phones (entry-level devices offered for \$10 or less); Feature phones (devices with more advanced features and

capabilities offered for more than \$10); and Smartphone/PDAs (devices that run complete operating system software as a platform for application developers).
