Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2015 - December 31, 2015

Filing Confirmation Number: 0007098641

Filing Deadline: January 15, 2016

FRN: 0010729515

Filing Date: 01/15/2016 05:06 PM

General Report Information

Type of Company

Service Provider

De Minimis Exception

Did you offer any handsets to subscribers in the United States during the reporting period? Yes

Have you been offering handsets in the United States for at least three years prior to the end of the reporting period? Yes

Date that you began offering handsets in the United States

Are you a small entity? Yes

Were you a small entity at any time during the three years prior to the end of the reporting period?

Date that you ceased to be a small entity?

Company Information

Company Name: Locus Telecommunications, Inc.

Brand Names: H2O Wireless

PO Box:

Street Address: 2200 Fletcher Avenue

City: Fort Lee

State: NJ

Zip Code: 07024

Contact Name: Nelson J. Gomez

Contact Phone: (201) 585-3610

Contact Fax: (201) 947-6100

Contact Email: njgomez@locus.net

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that were tested under ANSI C63.19-2007, and that are capable of voice

communication over any air interface or frequency band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007, include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operation?

Yes

Explain:

Do all hearing aid-compatible handsets that were certified only under ANSI C63.19-2007, but that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?

N/A

Explain:

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?

N/A

Explain:

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Service provider websites must include the levels of functionality that the service provider has defined, the level that each hearing aid-compatible model falls under, and an explanation of how the functionality of the handsets varies at the different levels.

Yes

Website address: www.h20wirelessnow.com TERMS AND CONDITIONS

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Website contains details on hearing aid compatible handsets

Customer relations staff is trained to explain HAC ratings

Methodology for Functionality Levels

Good basic technology on entry level speeds

Better new technology and functionality

Best device has advanced technology and or new functionality that operate on faster data speeds and multiple air interfaces and or frequencies

Report Remarks

Website address that contains clearly accessible HAC info contains characters that are not valid for entry on the HAC report

You have reported the following handset model summary information.

Total number of handsets offered: 34

| Air Interface | Fully Hearing Aid Compatible | | Acoustic Coupling Compatible Only | | Non-Compliant Handsets | | Total by Air Interface |
|---------------|------------------------------|---------|-----------------------------------|---------|------------------------|---------|------------------------|
| | Number | Percent | Number | Percent | Number | Percent | |
| GSM | 22 | 71% | 2 | 6% | 7 | 23% | 31 |
| CDMA | 3 | 100% | | | | | 3 |
| LTE | 10 | 83% | 2 | 17% | | | 12 |
