Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2015 - December 31, 2015

Filing Confirmation Number: 0007098066

Filing Deadline: January 15, 2016

FRN: 0014802284

Filing Date: 01/15/2016 02:22 PM

General Report Information

Type of Company

Service Provider

De Minimis Exception

Did you offer any handsets to subscribers in the United States during the reporting period? Yes

Have you been offering handsets in the United States for at least three years prior to the end of the reporting period? Yes

Date that you began offering handsets in the United States

Are you a small entity? Yes

Were you a small entity at any time during the three years prior to the end of the reporting period?

Date that you ceased to be a small entity?

Company Information

Company Name: NEP Cellcorp Inc.

Brand Names: NEP Wireless

PO Box:

Street Address: 720 Main Street

City: Forest City

State: PA

Zip Code: 18421

Contact Name: Richard Kulasinsky

Contact Phone: (570) 785-2262

Contact Fax: (570) 785-9299

Contact Email: rk@nep.net

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that were tested under ANSI C63.19-2007, and that are capable of voice

communication over any air interface or frequency band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007, include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operation?

Yes

Explain:

Do all hearing aid-compatible handsets that were certified only under ANSI C63.19-2007, but that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?

Yes

Explain:

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?

N/A

Explain:

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Service provider websites must include the levels of functionality that the service provider has defined, the level that each hearing aid-compatible model falls under, and an explanation of how the functionality of the handsets varies at the different levels.

No

Website address:

Explain: NEP Cellcorp, Inc. ceased providing retail services as of October 16, 2015 following notice to all customers in early June, 2015 of its intent to exit the retail wireless business. All customers were transitioned to other carriers. Prior to that time, a website was maintained at <http://www.nep.net/index.php/wireless/hearing-aid-compatibility-consumer-rights>; that website is no longer accessible.

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Bill Insert and Bill Message

Methodology for Functionality Levels

Through its period of operation in 2015, NEP Cellcorp offered HAC compatible handsets and devices in all major price categories including low cost C level under 100 dollars moderate cost B level between 100 and 250 dollars and high end A level above 250 dollars NEP Cellcorps sales staff is trained to assist all existing and prospective customers looking for a HAC compliant device HAC compliant devices vary in their inherent levels of functionality but typically at least one HAC compliant device with features and services typical of its price category can be found that meets each customers price range

Report Remarks

As of October 16, 2015, NEP ceased providing retail wireless service -see note re Public Website, above- On December 30, 2015, the Commission granted the application to assign NEPs operational licenses to New Cingular Wireless PCS, LLC - DA 15-1504, WT Docket No. 15-221. This is NEPs final HAC report.

You have reported the following handset model summary information.

Total number of handsets offered: 34

Air Interface	Fully Hearing Aid Compatible		Acoustic Coupling Compatible Only		Non-Compliant Handsets		Total by Air Interface
	Number	Percent	Number	Percent	Number	Percent	
GSM	13	38%	3	9%	18	53%	34
