WIRELESS TELECOMMUNICATIONS BUREAU ACTION

REGION 1 (ALABAMA) 700 MHz PUBLIC SAFETY PLANNING COMMITTEE ANNOUNCES FIRST MEETING

The Region 1 (Alabama) 700 MHz Public Safety Planning Committee announces that its first meeting will be held on Thursday, January 24, 2002, at 10:00 a.m. at the Mobile County Communications District Building at 7340 Zeigler Boulevard, Mobile, Alabama. The purpose of the meeting is to:

1. Establish a 700 MHz Regional Planning Committee,
2. Elect a chairperson.

The Region 1 700 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers in Alabama would utilize these frequencies. It is essential that participants be representatives of all eligible public safety providers in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent your agency's needs.

All interested parties wishing to participate in the planning for the use of new public safety spectrum in the 700 MHz band within Region 1 should plan to attend. For further information about the meeting, please contact:
