REGION 10 (GEORGIA) 700 MHz PUBLIC SAFETY PLANNING COMMITTEE ANNOUNCES SECOND MEETING

The Region 10 (Georgia) 700 MHz Public Safety Planning Committee announces that its second meeting will be held on Thursday, January 24, 2002 at 10:00 a.m. in the auditorium of the Georgia Public Safety Training Center, Exit 188, I-75, Forsyth, Georgia. The purpose of the meeting is to:

1. Establish a regional review plan committee,
2. Elect a chairperson,
3. Establish procedural rules,
4. Review plan elements,
5. Determine regional boundaries, and
6. Form work groups to develop the regional plan.

The Region 10 700 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Georgia would utilize these frequencies. It is essential that participants be representatives of all eligible public safety providers in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent your agency's needs.

All interested parties wishing to participate in the planning for the use of new public safety

spectrum in the 700 MHz band within Region 10 should plan to attend. For further information, please contact:
