WIRELESS TELECOM ACTION

REGION 7 (COLORADO) 700 MHz PUBLIC SAFETY PLANNING COMMITTEE ANNOUNCES THIRD PLANNING MEETING

The Region 7 (Colorado) 700 MHz Public Safety Planning Committee announces that its next meeting will be held on October 26, 2001 at 9:30 a.m., at the Holiday Inn (Northglenn), 10 East 120th Avenue, Northglenn, Colorado. The agenda for this meeting is:

1. Approve Minutes of previous meetings,
2. Update on NCC and FCC information,
3. Form workgroups to develop the Regional Plan, and
4. Address any new business.

The Region 7 700 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers in Colorado may use these frequencies. It is essential that participants be representatives of all eligible public safety providers in order to ensure that your agencies' future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent your agency's needs.

All interested parties wishing to participate in the planning for the use of new public safety spectrum in the 700 MHz band should plan to attend. For further information, please contact:
