**Wireless Telecommunications Bureau to Conduct More Universal Licensing System (ULS)  
Interactive Demonstrations in March 2000**

*Demos on Transfers and Assignments Scheduled March 3; Demos on License Search/Application Search  
and Microwave Application Filings in ULS Scheduled March 17*

The Federal Communications Commission's (FCC's) Wireless Telecommunications Bureau (WTB) will conduct additional interactive demonstration of its Universal Licensing System (ULS) in March 2000. WTB also is seeking comments and suggestions from those interested in attending such demonstrations in order to better coordinate and design the events.

The Bureau will hold demonstrations on March 3 and March 17 at the FCC's headquarters in Washington, DC, in the ITC Training Room on the 12<sup>th</sup> Street level (main entrance level) of the Portals building at 445 12<sup>th</sup> Street, SW.

The format of the demonstrations will be as follows:

March 3 — Filing Transfers and Assignments in ULS, from 9:30 am until noon, and from 1:00 pm until 4:00 pm (both sessions will cover the same material — it is not a single demo with two parts).

March 17 — License Search/Application Search, from 10:00 am until noon, and Microwave Application Filings in ULS, from 1:00 pm until 4:00 pm.

WTB has chosen the above topics based on comments from previous demonstrations and will add, delete or modify future demonstrations as interest dictates. The Bureau plans to hold ULS demonstrations on additional wireless services as they are deployed. Input also is requested on future topics for the demonstrations.

Parties interested in attending the demonstration and/or providing comments should contact Randy Byrd at (202) 418-0584, or via e-mail at [rbyrd@fcc.gov](mailto:rbyrd@fcc.gov). *Please specify your name, which day(s) and session(s) you would like to attend, and provide a telephone number and e-mail address at which you can be contacted.* You may also indicate what specific service(s) are of most interest to you. Seating is limited and will be assigned on a first come, first served basis, and requests will be limited to one attendee per session per organization, company or firm. (*Note:* the ITC Training Room accommodates up to 14 persons per session, and an attendee may have to share a computer monitor with another attendee.
