## **AUCTION HIGHLIGHTS**

**986 Local Multipoint Distribution Service Licenses  
(One each in Frequency Block A & Block B)  
For 493 Basic Trading Areas**

**Beginning Wednesday, December 10, 1997**

---

### **Simultaneous Multiple Round Auction**

Bidding will begin Wednesday, December 10, 1997. The specific schedule for bidding will be announced in a public notice at least one week before the start of the auction.

---

### **Bidder Eligibility Requirements**

- Review this Bidder Information Package, applicable FCC rules and public notices for complete details.
- Deadline for receipt of completed short-form application (FCC Form 175) at the FCC, Gettysburg, PA (electronically or on paper):  
November 17, 1997, no later than 5:30 p.m. ET
- Deadline for receipt of upfront payment at Mellon Bank, Pittsburgh, PA:  
Monday, December 1, 1997, no later than 6:00 p.m. ET (wire transfers)

## **Auction Schedule**

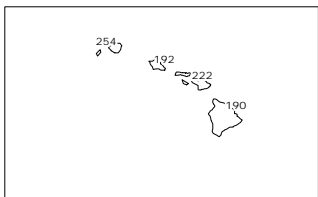

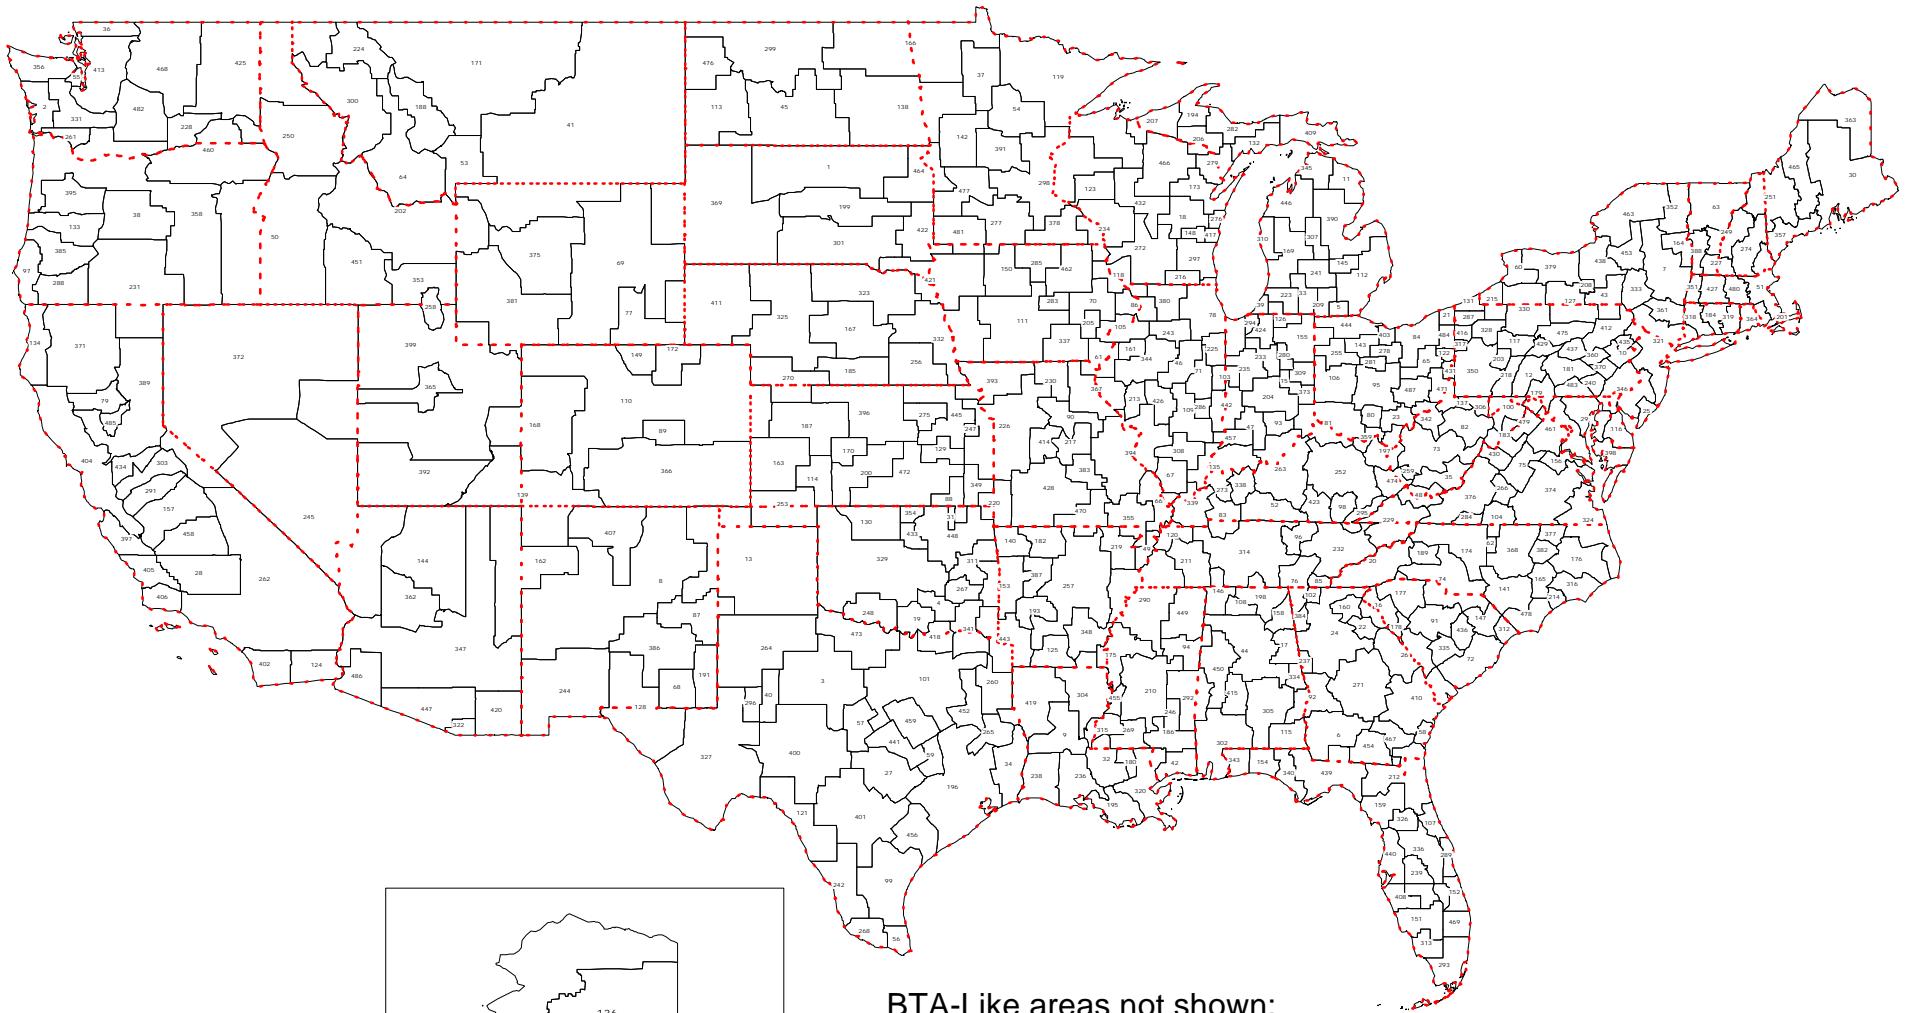

Thursday, October 30, 1997	Auction Seminar
Monday, November 17, 1997	Short-form auction applications due
Monday, December 1, 1997	Upfront payments due
Monday, December 1, 1997	Deadline to order electronic bid submission software
Monday, December 8, 1997	Mock Auction
Wednesday, December 10, 1997	Auction begins
Post-Auction	Public notice of final high bids Down payments due Long-form applications due Public notice of long-form applications Deadline for petitions to deny long-form applications FCC action on long-form applications Final payments due

---

Association.

## SUMMARY OF LICENSES TO BE AUCTIONED

The following table lists the 493 Basic Trading Areas (“BTAs”) and BTA-like areas for which the FCC will issue LMDS licenses. This auction offers a total of 986 licenses, two in each BTA: 1,150 megahertz of spectrum in frequency block A and 150 megahertz in frequency block B.

For each BTA, the table lists the market number, the market name, the license number, the population, and the upfront payment (which corresponds to the number of bidding units required to bid on a license in that BTA and frequency block).

- A complete license number is the form LD plus the BTA designation plus the letter designation of the frequency block. For example, the license number for the B-block license in the Abilene BTA will be LDB003B.
- All population figures are from the 1990 U.S. Census, U.S. Department of Commerce, Bureau of the Census. The New York A block BTA population is based on an encumbered population of 9,503,769 (the unencumbered BTA less the population in the encumbered New York Primary Metropolitan Statistical Area). The New York B block BTA is based on an encumbered population of 18,050,615.
- The two right columns of the table shows the upfront payments (and number of bidding units) required to bid on a license in that BTA. Please note that bidding units are used in the auction to determine bidding eligibility and activity. They are completely unrelated to the dollar amount of actual bids placed.

Following this table is a cross-reference list of all 493 BTAs, arranged in BTA-number order and showing BTA name and associated Major Trading Area (MTA).

<b>Totals:</b>			<b>244,009,873</b>	<b>\$186,148,090</b>	<b>\$19,434,564</b>

Notes:

(1) When identifying an individual license, only one frequency block suffix may be used ( e.g., "A" or "B"). This license number must be used on the FCC Form 159 by winning bidders when making down payments and final payments. Do not specify individual licenses on the FCC Form 159 accompanying an upfront payment.

(2) All population figures are 4/1/90 U.S. Census, U.S. Department of Commerce, Bureau of the Census

(3) The upfront payment for Block A is calculated in three tiers, for licenses with populations over 1,000,000 it is calculated as Population x \$.90, for licenses with populations between 100,000 and 1,000,000 it is calculated as Population x \$.60, for licenses with populations under 100,000 it is calculated as Population x \$.30. The upfront payment for Block B is 10% of the Block A upfront payment (except as noted below for New York). All upfront payments are rounded up to the nearest dollar. The number of bidding units assigned to each license is equal to the amount of the upfront payment, ( e.g., \$25,000 upfront payment yields 25,000 bidding units). The minimum upfront payment amount is \$2,500 per license.

(4) The New York A Block upfront payment is based on an encumbered population of 9,503,769, (the unencumbered BTA less the pops in the encumbered PMSA) but the B block upfront payment is based on an unencumbered population of 18,050,615.

Note regarding use of Major Trading Areas and Basic Trading Areas: Based on material Copyrighted 1992 by Rand McNally & Company. Rights granted pursuant to a license from Rand McNally & Company (through an arrangement with the Personal Communications Industry Association) to all interested parties for use solely in connection with the licensing, building, marketing and operation of personal communications services, certain specialized mobile radio services and local multipoint distribution services.

## BASIC TRADING AREA CROSS-REFERENCE LIST

# **BASIC TRADING AREA COUNTY LIST**

## **BTAs and MTAs**

This attachment is issued to provide a comprehensive listing, including counties, of Basic Trading Areas (BTAs) and Major Trading Areas (MTAs).

The BTA service areas are based on the Rand McNally 1992 Commercial Atlas & Marketing Guide, 123rd Edition, at pages 38-39, with the following additions: American Samoa, Guam, Northern Mariana Islands, San Juan, Puerto Rico, Mayagüez/Aguadilla-Ponce, Puerto Rico, and the United States Virgin Islands are licensed separately as BTA-like areas.

The MTA service areas are based on the Rand McNally 1992 Commercial Atlas & Marketing Guide, 123rd Edition, at pages 38-39, with the following exceptions and additions:

- (1) Alaska is separated from the Seattle MTA and is to be licensed separately.
- (2) Guam and the Northern Mariana Islands are to be licensed as a single MTA-like area.
- (3) Puerto Rico and the United States Virgin Islands are to be licensed as a single MTA-like area.
- (4) American Samoa is to be licensed as a single MTA-like area.

Based on Material Copyright © 1992 Rand McNally & Company. Rights granted pursuant to a license from Rand McNally & Company (through an arrangement with the Personal Communications Industry Association) to all interested parties for use solely in connection with the licensing, building, marketing, and operation of personal communications services, certain specialized mobile radio services and local multipoint distribution services.

## LIST OF EXISTING GOVERNMENTAL AND PRIVATE BUSINESS 31 GHZ LICENSEES

The Commission has decided to simultaneously auction two licenses in each BTA, one license for 1,150 megahertz consisting of 1,000 megahertz located in the 28 GHz band and 150 megahertz located in the center of the 300 megahertz segment of the 31 GHz band (31,075 - 31,225 MHz), and a smaller license for 150 megahertz located entirely in the 31 GHz band. This second 150 megahertz consists of two 75 megahertz segments located at each end of the 300 megahertz block (31,000 - 31,075 MHz and 31,225 - 31,300 MHz). LMDS service providers will be entitled to interference protection from any other presently-authorized primary users in the entire band. Although LMDS operations are permitted in the 31,000 - 31,075 MHz and 31,225 - 31,300 MHz bands, incumbent governmental licensees and private business users operating in these two segments are entitled to protection against harmful interference from any LMDS operation in these blocks. Therefore, bidders should be aware that some BTAs have incumbent operations in the smaller 150 megahertz block that must be protected from harmful interference under the Commission's Rules.

Listed below are BTAs with incumbent licensees and the cities in which operations are authorized. Prospective bidder should not rely solely on this list, but should carefully review the Commission's databases and records before formulating bidding strategies. Records relating to these stations are available for public inspection during regular business hours in the FCC Reference Room at the Federal Communications Commission, 1270 Fairfield Road, Gettysburg, PA.

Market No.	Basic Trading Area	Cities with Authorized Operations	Licensees/Call Signs
B321	New York, NY	NY PMSA	CellularVision of NY, L.P./WLT379
B262	Los Angeles, CA	La Habra, CA	City of La Habra/WNTV232
		Montclair, CA	City of Montclair/WNTR498, etc.
		Palm Springs, CA	City of Palm Springs/WNTV245, etc.
		San Bernardino, CA	City of San Bernardino/WNTS881 County of San Bernardino/WNTU750
		Upland, CA	City of Upland/WNTT952

B421	Sioux City, IA	Sioux City, IA	Nutra Flo ITI/WNTV448, etc.

<b>Market No.</b>	<b>Basic Trading Area</b>	<b>Cities with Authorized Operations</b>	<b>Licensees/Call Signs</b>
B445	Topeka, KS	Topeka, KS	City of Topeka/WNTW208
B202	Idaho Falls, ID	Idaho Falls, ID	City of Idaho Falls/WNTW717
		Gulf of Mexico	Chevron USA, Inc./WNTX932

Note: CellularVision is the successor-in-interest of Hye Crest Management, Inc., which was granted a license in the 28 GHz band for the New York Primary Metropolitan Statistical Area in 1991. CellularVision is entitled to interference protection on Block A within its service area.

# FCC AUCTION SEMINAR REGISTRATION FORM

## LOCAL MULTIPOINT DISTRIBUTION SERVICE

The FCC will sponsor a one day seminar for the LMDS auction applicants. The seminar will provide information about pre-auction procedures, service and auction rules, conduct of the auction, and the FCC remote bid submission software.

**Space is limited.** A maximum of two representatives from each company may attend on a reservation basis, first-come first- served until room capacity is filled. Additional seating may be available on a stand-by basis the day of the seminar. The seminar will be held:

**Thursday, October 30, 1997**  
**Reniassance Washington DC Hotel**  
**999 9th St., NW**  
**Washington, DC 20001**

**If hotel accommodations are needed, reservations can be made by calling the hotel reservations directly at (202) 898-9000; ext. 3400. Identify that you are attending the FCC Auction Seminar.**

\*\*\*\*\*

To register, complete the form below and return no later than **October 24, 1997**, by mail or fax to:

FCC Auction 17  
Auctions Operations Branch  
1270 Fairfield Road  
Gettysburg, PA 17325-7245

FAX: 717-338-2850

Phone: 888-CALL-FCC (888-225-5322)

(General Auction Information and Seminar Registration, press option #2 at the prompt.)

---

I/We will attend the LMDS auction seminar on **Thursday, October 30, 1997**

# FCC REMOTE BIDDING SOFTWARE ORDER FORM LOCAL MULTIPOINT DISTRIBUTION SERVICE (LMDS)

Only those qualified bidders that file their FCC Form 175 applications electronically have the option of using the FCC Remote Bidding Software to participate in the auction bidding process. Further, while bidders are free to copy the software for use by authorized bidder at different locations, the FCC auction system will accept electronic bids only from bidders who have purchased the software. (Since bidding software is tailored to a specific auction, software from prior auctions will not work for Auction 17.)

The price of the FCC Remote Bidding Software is **\$175.00**, including a user manual and shipping. To order, complete the form below and return no later than 5:30 p.m. EDT on **Monday, December 1, 1997**, to:

FCC Bidding Software, Auction No. 17  
Auction Operations Branch  
1270 Fairfield Rd.  
Gettysburg, PA 17325-7245

FAX: 717-338-2850

For security purposes, software packages will be sent with other registration materials only to the contact person at the applicant address specified on the FCC Form 175. **NO EXCEPTIONS.**
