Gateways in the U.S. will be licensed to Motorola or Iridium North America. San Juan does not yet appear on any MSA Listing. Motorola understands it will be listed next year. Based upon 1990 Census Figures, San Juan would rank as the 82nd Largest MSA on OMB's 1992 Report. Based upon 1995 population estimates, San Juan would still rank as the 82nd largest MSA in the 1992 OMB Report.
