Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: Not applicable. Hamilton County Wireless (“the Company”) is a small rural CMRS service provider with operations that utilize the GSM air interface in the State of Iowa. The company provides its service in conjunction with Iowa Wireless Services d/b/a iWireless. The Company operates CMRS facilities but it does not currently have any subscribers, it does not have retail outlets and it does not offer wireless handsets to the public. As such, the Company qualifies for the de minimis exception set forth in Section 20.19 (e) of the Commission’s Rules.

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? No

Explain: Not applicable. The Company does not offer wireless handsets to the public and it qualifies for the de minimis exception.
