Federal Communications Commission

Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2011 - December 31, 2011
Filing Confirmation Number: 0005033152
Filing Deadline: January 17, 2012
Filing Date: 01/17/2012 10:01 PM

General Report Information

Type of Company
Service Provider

De Minimis Exception
Did you offer more than two handsets over any air interface to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period? Yes

Did you offer any handsets to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period?

Company Information

Company Name: Boomerang Wireless, LLC
Brand Names: Ready Mobile
PO Box: 955 Kacena Road, Suite A
City: Hiawatha
State: IA
Zip Code: 52233

Contact Name: Jim Balvanz
Contact Phone: (319) 743-4606
Contact Fax: jbalvant@readymobile.com

Filing Agent
Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: The Compliance Group
PO Box: 1420 Spring Hill Road, Suite 205
City: McLean
State: VA
Zip Code: 22102
Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:
Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: www.readymobile.com

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Basic-basic features and some data
Middle-advanced features and faster data
Advanced-advanced capabilities and computer-like functionality

Methodology for Functionality Levels

None at this time.

Report Remarks

The company is filing this report to evidence compliance with the FCC HAC rules. However, upon review of the FCC's reporting methodology, the client is aware that the FCC rules are ambiguous in certain place. Therefore the company reserves the right to re-file this report based on clarification from the FCC.

You have reported the following handset model summary information.
Total number of handsets offered: 70
