Federal Communications Commission

Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2015 - December 31, 2015
Filing Deadline: January 15, 2016
Filing Date: 01/15/2016 10:05 AM

Filing Confirmation Number: 0007088205
FRN: 0010103745

General Report Information

Type of Company
Service Provider

De Minimis Exception
Did you offer any handsets to subscribers in the United States during the reporting period? Yes

Have you been offering handsets in the United States for at least three years prior to the end of the reporting period? Yes

Date that you began offering handsets in the United States

Are you a small entity? Yes

Were you a small entity at any time during the three years prior to the end of the reporting period?

Date that you ceased to be a small entity?

Company Information

Company Name: TerraCom, Inc.
Brand Names: TerraCom Wireless
PO Box:
Street Address: 401 E. Memorial Road, Suite 500
City: Oklahoma City
State: OK
Zip Code: 73114

Contact Name: Kristen Farole
Contact Phone: (405) 293-4870
Contact Fax:
Contact Email: kfarole@terracominc.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: Telecom Professionals, Inc.
PO Box: 720128
Street Address:
City: Oklahoma City
State: OK
Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that were tested under ANSI C63.19-2007, and that are capable of voice communication over any air interface or frequency band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007, include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operation?
Yes

Explain:

Do all hearing aid-compatible handsets that were certified only under ANSI C63.19-2007, but that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?
Yes

Explain:

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?
Yes

Explain:

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?
Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Service provider websites must include the levels of functionality that the service provider has defined, the level that each hearing aid-compatible model falls under, and an explanation of how the functionality of the handsets varies at the different levels.
Yes

Website address: http://www.terracomwireless.com

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Consumer outreach included (1) making hearing aid compatible handsets available in TerraCom retail stores for evaluation by customers, and (2) retail personnel on hand to assist with this evaluation, and (3) compatible storage signage.

Methodology for Functionality Levels

Functionality Level AA includes the functionalities of A as well as WiFi.
Functionality Level A indicates a phone that is at least SMS, Camera, Bluetooth, USB, and Data capable.
Functionality Level B indicates a phone that is at least SMS, Camera, and Data capable.
Report Remarks

None.

You have reported the following handset model summary information.
Total number of handsets offered: 384

#### Dates

This handset model was offered from: 01/15 to 12/15

#### Ratings
M-Rating: M4
T-Rating: T4

Did this handset meet the criteria for an M3 rating for operations over GSM at 1900 MHz by enabling the user optionally to reduce the maximum power at which the handset will operate by no more than 2.5 decibels, except for emergency calls to 911?

Functionality Level
- GPS/BLUETOOTH/USB/CAMERA/MMS

850 MHz CDMA  
1900 MHz CDMA

#### Dates

This handset model was offered from: 01/15 to 12/15

#### Ratings
M-Rating: M4
T-Rating: T4

Did this handset meet the criteria for an M3 rating for operations over GSM at 1900 MHz by enabling the user optionally to reduce the maximum power at which the handset will operate by no more than 2.5 decibels, except for emergency calls to 911?
